Remarks

One or more photo(s) has been virtually staged. Under Construction. Under Construction. New Construction Opportunity! Step into the future with this contemporary home, where sleek design meets modern comfort. Boasting a split floor plan with 3 bedrooms, 2 baths, and a versatile bonus room/office, this residence offers space and functionality in abundance. Entertain in style with the open floor plan, accentuated by soaring 9'4" ceilings and luxurious vinyl flooring throughout. The heart of the home, the gourmet kitchen, features 42" solid wood cabinets, stunning 3cm quartz countertops, a generous kitchen island, stainless steel appliances, and a convenient pantry. Rest easy knowing your home is fortified with heavy-duty impact hurricane windows and sliders, providing both safety and peace of mind. Don't miss out on this exceptional opportunity to own a modern masterpiece in the making! This seller has built this floorplan on multiple lots, giving you the flexibility to select the perfect homesite for your needs. Contact us to learn more about other available homesites. Please note that the photos provided are artistic renderings and may not perfectly represent the exact design of the property.
